Preface

The *Popular Selection List, 2011 Edition* is an addendum to The Royal Conservatory's *Piano Syllabus, 2008 Edition*, which embodies the official requirements for the piano assessments conducted by The Royal Conservatory Examinations and The Carnegie Hall Royal Conservatory Achievement Program (The Achievement Program). This *Popular Selection List, 2011 Edition* replaces all editions previously published by The Frederick Harris Music Co., Limited.

The *Popular Selection List* is a compilation of non-classical pieces, carefully selected to suit each grade level. Candidates in levels 3 to 9 have the option of substituting a piece chosen from the *Popular Selection List* for one study/etude in their level. Candidates in levels 1 and 2 have the option of substituting a piece from the *Popular Selection List* as their "Teacher's Choice" selection in place of the study/etude in their level. Candidates should consult the *Piano Syllabus, 2008 Edition* for detailed information on substitution policies.

Candidates do not need prior approval from The Royal Conservatory Examinations or The Achievement Program to use a piece from the *Popular Selection List* as a substitute for one of the studies from the same level. Each piece has musical value, containing rhythmic or technical challenges pertinent to the level for which it has been selected. The required edition is clearly identified. These editions have been chosen for their quality for the purposes of assessments to ensure the appropriate arrangement for each level. Different editions of the same work will not be accepted. Please consult the Bibliography on p. 31 for more information on the collections and sheet music referenced in the *Popular Selection List*.

Copyright and Photocopying

Federal and international copyright laws prohibit the use of photocopies without the permission of the publisher. The use of unauthorized photocopies for assessment purposes constitutes copyright infringement as outlined in the *Copyright Act* of Canada, and in Title 17 of the *United States Code*. Additional information about federal copyright law is available online through the Copyright Board of Canada at www.cb-cda.gc.ca and US Copyright Office at www.copyright.gov.

Celebration Series PERSPECTIVES®

Celebration Series Perspectives® is a comprehensive and progressive series presenting a kaleidoscopic view of keyboard music from the Baroque era to the present day. Featuring an outstanding selection of piano literature with supporting teaching materials, *Celebration Series Perspectives®* is the series of choice for teachers and students seeking a truly enriched learning experience.

Piano Repertoire

Preparatory to Level 10

Each level of the *Piano Repertoire* books provides a balanced and representative collection of pieces from the Baroque, Classical, Romantic, 20th-, and 21st-century style periods. The *Piano Repertoire* books are the ultimate resource for examinations, recitals, festivals, competitions, auditions, and for enjoyment.

Compact Discs

Preparatory to Level 10

These recordings provide reliable and representative interpretations of the complete works from the *Piano Repertoire* and *Piano Studies / Etudes* books. Students may use the recordings for reference and as inspiration for a polished performance, and teachers will find them to be an invaluable resource for style-appropriate performance practice.

Piano Studies / Etudes

Levels 1 to 10

The *Piano Studies / Etudes* books are designed to help students gradually master a variety of technical challenges. In addition to technique building, the *Studies / Etudes* pieces can be used for recitals, competitions, or for enjoyment. Each piece has a specific technical focus that is described in the table of contents.

Handbook for Teachers

Written by three of North America's leading piano pedagogues—Cathy Albergo, Reid Alexander, and Marvin Blickenstaff—the *Handbook for Teachers* is a comprehensive teaching resource that provides a detailed discussion of all of the pieces in the *Piano Repertoire* and *Piano Studies / Etudes* books. Teachers will welcome the sequencing by difficulty of pieces in each level, the useful practice suggestions, and the creative activities that assist in lesson planning.

Student Workbooks

Preparatory to Level 8

Built on the principles of discovery learning, the *Student Workbooks* accompany the *Piano Repertoire* books and offer students an engaging and thorough learning experience. Activities include hands-on writing and creative exercises, historical and theoretical discussions, and opportunities to reinforce music terminology.

Answer Book for Student Workbooks

The *Answer Book for Student Workbooks* is an indispensable companion to the *Student Workbooks* (Preparatory to Level 8). Teachers and parents will find the *Answer Book* to be a useful, convenient, and time-saving resource.

Celebration Series Perspectives® serves as the official material for the curriculum of The Royal Conservatory.

The Frederick Harris Music Co., Limited received the Music Teachers National Association's (MTNA) Frances Clark Keyboard Pedagogy Award for the *Celebration Series®* in 2007.

Piano Syllabus, 2008 Edition

This resource is essential for teachers preparing students for The Royal Conservatory Examinations (Canada) and the Carnegie Hall Royal Conservatory Achievement Program assessments (USA). The *Piano Syllabus* outlines the piano curriculum for Preparatory to ARCT levels, including an extensive listing of repertoire from all eras and a comprehensive bibliography.

Technical Requirements for Piano

Preparatory to Level 8

The nine *Technical Requirements for Piano* books offer students a progressive and sequential approach to learning technique. Summary charts provide a helpful overview of the required scales, chords, arpeggios, tempos, and note values at each level.
